PROTECTION TO LOCAL FIRMS

GOV. CARTER RECEIVES LETTER GIVING VIEWS OF THE BUILDERS' & TRADERS' EXCHANGE.

Governor Carter yesterday had a conference with a committee of the Builders' & Traders' Exchange on the subject of restricting bids on local contracts to Hawaiian firms, not allowing Mainland concerns to take the contracts. The governor expressed himself as anxious to do all in his power to keep the business here, but intimated that there might be cases in which it would not be advisable to make a rule that only local firms shall bid. The following letter was presented to him by Secretary Avery, giving the views of the Exchange:

Honolulu, H. T., Feb. 24, 1904.
"Honorable George R. Carter, Governor Territory of Hawaii, City.
Sir:—By direction of the Builders' & Traders' Exchange I have the honor to respectfully call your attention to the subject matter of the communication from this Exchange dated Dec. 2, 1903, and presented to you through a committee consisting of Messrs. W. W. Harris (Lewers & Cooke, Ltd.), L. E. Pinkham (Concrete Construction Co., Ltd.), W. W. Hall (E. O. Hall & Son, Ltd.), A. Harrison (A. Harrison Mill Co., Ltd.), George Rodiek (H. Hackfeld & Co., Ltd.), G. F. Bush (Honolulu Iron Works Co.), and J. H. Craig (General Contractor).

"We have the honor to further represent to you through this organization that the business and tax paying community of this city feels keenly on the question of taxpayers' money going to non-resident supply houses and contractors who do not contribute to the support of the Government of Hawaii.

"The sentiment is very strong that every dollar of the Territorial funds that can be kept in Hawaii is needed during the present condition of business.

"Merchants with enormous stocks and contractors with expensive plants must make a living for themselves and interest on their invested capital. A material reduction of these stocks means both loss of revenue to Hawaii by way of taxes and sore inconvenience to the consuming public. But for the varied and expensive stocks carried by Honolulu merchants the purchasing public would be largely dependent upon the mainland for their everyday supplies.

"We submit every legitimate government support is due the actual resident taxpayer.

"By vote of the Builders' & Traders' Exchange of Honolulu, Hawaii, I am directed to advise you that it is the sense of this Exchange representing the material supply houses and contractors of this city that tenders on Territorial government work for the Island of Oahu, should be called not longer than ten days prior to opening the same and not longer than twenty days on work for the other Islands, and to respectfully request that you issue the proper directions to department heads affected thereby.

"Thanking you for your expressions of appreciation for and sympathy with these sentiments as presented to you by our Committee on Dec. 2nd last, I have the honor to remain.

"Yours respectfully,
"J. D. AVERY,
"Secretary."
